

Maharashtra Education Society's  
**MES Night College of Art Commerce**  
Kave Road, Pune

**OPAC(Online Public Access Catalogue)Awareness Program**

Date: 14 June 2022

Time: 3.00 to 4.00

Key Speakers: Smita Raut (Librarian, MES Night College of Arts and Commerce)

**Objective of the Program:**

1. OPAC utility etc.
2. Easy way to find books on OPAC.

**Format and Procedure of the Programme:**

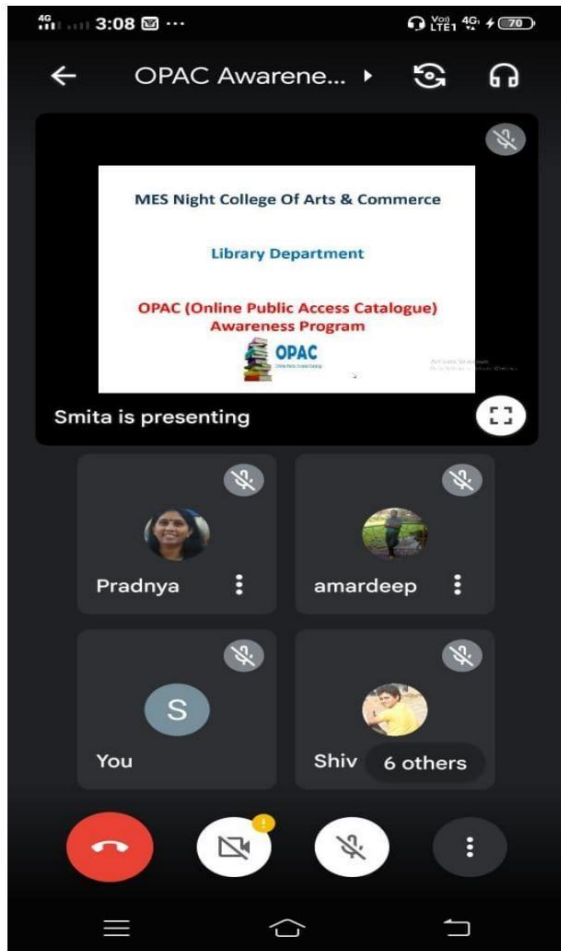

MES Night College of Arts and Commerce, Department of Library organized a program on OPAC (Online Public Access Catalogue) Awareness Program, on 14th January 2022, Time: 3.00 pm. The program was conducted online (Google Meet). Prof. Amardeep Gurme introduced the program.

Mrs. Smita Raut said in her lecture, that in the present scenario, the users' are the main focus of the OPAC facility is very must in all academic and institutional libraries, to identify and locate the documents in libraries. So the library has taken one step forward in the development of online perspectives. The library is using software to provide additional services.

How useful is OPAC in the library for teachers to search books and how library give advanced services to users by OPAC, this information is shown by PPT to all teaching staff.

How the OPAC is useful in this current situation to connect with the library, this information was given in the last part of the lecture.
