Advanced Excel (2021-22)

Date: 13/01/2022

Time: 4 p.m.

Speaker: Mr. Anil Khanse

Objective of the Program:

1. To Make the students learn about the basic and advanced excel
2. To improve the employability skills through the aid of computing skills

Details of the Programme:-

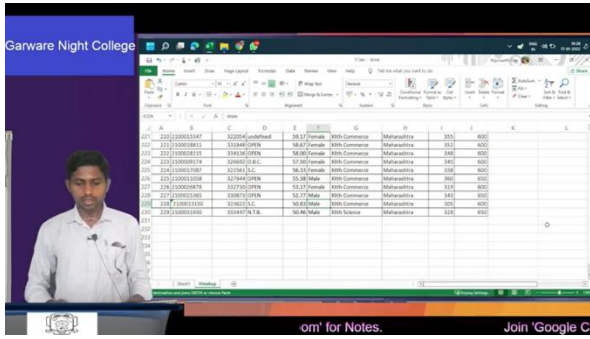

MES Night College of Arts and Commerce conducted a Workshop & Course on Advanced Excel under the guidance of College Principal Dr. Atul Kulkarni, who has also delivered the introductory remarks. Professor Amardeep Gurme acted as a Coordinator provided a brief introduction of the Course Conductor Mr. Anil Khanse as well.

The objective of the course and workshop is to educate the T.Y.B.A. & T.Y.B.Com. Students for the Academic Year 2022-23 about the various computing skills especially Excel which is a current basic need of Employment Market. The Workshop & the Course was conducted through online mode. The Speaker explained that the various basic excel working and formulae which he gradually intensified at various session levels to Advanced Level. The Course was conducted for 16 hours, while the first session acted as Workshop for all students in the College. The Speaker also recorded the live sessions of the Course & uploaded on his YouTube channel as well. Approximately, over 200 students from B.A. & B.Com. Programmes have attended and benefited from this Workshop & Course.

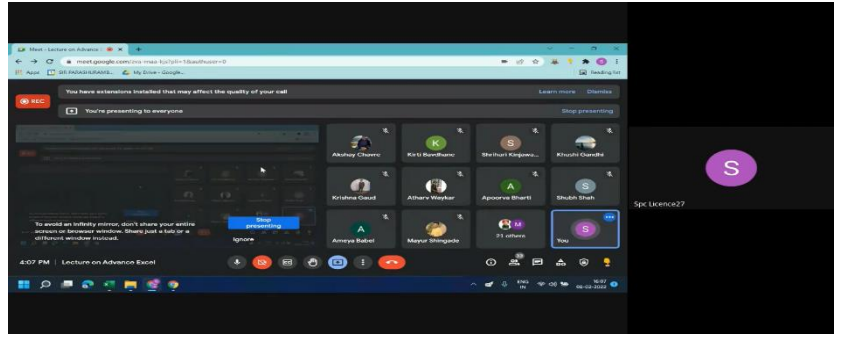

Program Outcomes-

1. The third Year gained the knowledge about the basic & advanced excel, which will be helpful in the future.
2. The Students have become more employability oriented with the pursuit of the additional computing skills.
