A JOURNEY FROM A SEED TO A TREE

In 1860, three great visionaries - **Waman Prabhakar Bhawe**, **Vasudev Balwant Phadke**, and **Laxman Narhar Indapurkar** came together to plant a seed of an idea.

The idea was profound considering the pre-independence era of India.

The three reformists resolved to establish an educational platform that would generate a strong character and lofty ideals amongst youngsters, and one that nurtures nationalism.

In 1874 The '**Poona Native Institution**' took shape as their joint efforts. The institution imparted conventional, contemporary education.

## The Dnyan Vruksha

Over the last 159 years, MES has over 75 institutions with a strength of around 40,000 students and more than 2,000 teachers and administrative staff.

With a view to impart quality education to the rural parts, besides having *top colleges, schools and institutes* in the city of Pune, MES has expanded to *Saswad, Baramati, Panvel, Belapur, Kalamboli, Shirwal, Kasar Amboli, Ahmednagar, Solapur* and even far into the relatively underdeveloped regions like *Chiplun* in *Konkan*.

What started as a single seed has now grown into a massive tree - the '**Dnyan Vruksha**'.
