20/07/24 04:53 PM GMT +05:30

All the staff warmly welcomed the FYBCOM and FYBA students. The event began with Saraswati Poojan.

The event unfolded as follows:

Introduction of the college: Mr. Amadeep Gurme introduced the infrastructure facilities.

Alumni Words:

Sanika Bhosale(2023-24): Sanika shared information on how to prepare from first year to study at abroad and the process involved in studying overseas.

Durgesh Kolambe(2023-24): Durgesh advised students on how to manage their time for studying and other activities.

Falguni Hanswal(2023-24): Falguni encouraged students not only to learn to earn money but to recognize their role as the future pillars of the nation, urging them to study and become self-reliant entrepreneurs.

Principal's Address: Dr. Sujata Adamuthe provided an insightful overview of the MES Society and the college, emphasizing the importance of setting goals, perseverance, and maintaining those goals. The Principal's address was captivating and motivating. She also emphasized the different policies, importance of available cells including Anti-Ragging cell, internal Compliance Cell and Grievance Redressal Cells etc. She encouraged students to actively engage in the diverse extracurricular and co-curricular activities offered by the College. On behalf of the entire college, the Principal extended a heartfelt welcome and congratulated the students on reaching this important juncture.

Felicitation of the Staff & alumni: Principal felicitated all the staff on the occasion of Gurupornima & Alumni.

Informative Sessions:

Mr. Shiv Kumar Rao: Elaborated about the NEP & the structure of course including assessment system throughout the year.

Mr. Amardeep Gurme: Explained the role of the Placement Cell and the various activities highlighting its importance for career development.

Mr. Pushkaraj Kashid: Presented details on the various scholarships available to students and the application process.

Ms. Smita Raut (Librarian): Encouraged the students to utilize the library's resources for academic enrichment, highlighting the wealth of knowledge available through reading.

Ms. Akshata Deodhar: Illustrated ERP system applicable in the college

Vote of Thanks: Mr. Amardeep Gurme expressed sincere gratitude to all participants and organizers for making the event a success.

Mr. Bhushan Biradar anchored the program.

Refreshment: The program was followed by snacks to all.

Outcomes of the program: Student was familiar with the infrastructure facilities, human resources alumni, collages as well as different active cells available in the college, policies, scholarship schemes, etc.

Student understood the concept of the NEP, course structure very well.
