

MES NIGHT COLLEGE OF ARTS AND COMMERCE

KARVE ROAD, PUNE.

PADDY PLANTING

On the 8th of August 2024, MES Night College of Arts and Commerce organized an engaging and educational Paddy Planting Program for its students. The event aimed to provide students with hands-on experience in agriculture, emphasizing the importance of traditional farming practices and fostering a deeper connection with nature.

- 1.To familiarize rice-related cultivation.
- 2.To develop greater experience in agriculture, social & environmental issues & solutions.
- 3.To get first-hand experience of the hard life of a farmer.
- 4.To get the experience of happiness through work in a fresh atmosphere.
- 5.To enhance communication skills by interacting with the farmers.

OBJECTIVES OF THE PROGRAM

PROGRAM DETAILS

All the students and librarian Smita Raut reached the farm owner Kashinath Mazire, Bhukum village by bus. Farm owner Kashinath Mazire imparted his experience and guidance to the students on rice farming. Students actively participated in the entire process from preparing the field to planting rice seedlings. The experience was both academically and physically engaging, giving students first-hand knowledge of the effort and skills required in traditional agriculture.

The program witnessed enthusiastic participation from students. The program also provided a unique opportunity for students to bond over shared experiences, fostering a sense of community and teamwork.

The Paddy Planting Program was a resounding success, achieving its objectives of promoting agricultural awareness and providing students with a memorable and educational experience. The event not only enriched the students' knowledge but also instilled in them a respect for traditional practices and the importance of sustainability in our daily lives.

This program is one of the many initiatives by MES Night College of Arts and Commerce to provide holistic education that extends beyond the classroom, preparing students to be well-rounded individuals with a deep respect for nature and tradition.

OUTCOMES OF THE PROGRAM

- Hands-On Learning Experience
- Increased Awareness of Agricultural Practices
- Community Engagement and Teamwork
- Promotion of Environmental Stewardship
- Enhanced Respect for Rural Life
- Encouragement of Future Participation in Agricultural Activities
