Mutha River: Clearing Drive

On the second day after Anant Chaturthi, MES Night College of Arts and Commerce organized a successful Mutha River bank and river ghat areas cleaning drive to contribute to environmental sustainability and raise awareness about the importance of cleanliness in public spaces. The drive occurred on 19th September 2024 and saw enthusiastic participation from students and staff alike.

Students from various classes volunteered for the initiative, displaying a strong commitment to social responsibility and ecological well-being. Under the supervision of college faculty Prof. Amardeep Gurme & Librarian Smita Raut, Gorkh Kandare Kaka, the participants worked diligently to clear debris and waste from the festivities, ensuring that the river and its surroundings were cleaner and healthier.

The students used eco-friendly methods to collect and dispose of plastic waste, paper, and other materials that littered the banks of the river. Equipped with gloves, masks, and garbage bags, they dedicated several hours to this effort, making a visible difference in the cleanliness of the area.

The drive not only contributed to maintaining the beauty of the Mutha River but also fostered a sense of environmental stewardship among the students. By the end of the activity, the participants expressed a deeper understanding of their role in protecting natural resources and vowed to continue such initiatives in the future.

The college administration appreciated the efforts of the students and announced that similar environmental initiatives would be encouraged as part of the institution's ongoing commitment to sustainability.

This event is yet another example of how MES Night College continues to in still values of community service and environmental care in its students, encouraging them to become responsible citizens.
