Teacher Day-5 September 2024

On 5th September 2024, MES Night College of Arts and Commerce celebrated Teacher's Day with great enthusiasm and respect. The event, organized by first and third-year students of B.A. & B.Com, honored the faculty members for their dedication and hard work in nurturing the students' academic and personal growth.

The celebration began with a heartfelt speech by the Pournima, acknowledging the teachers' contributions.

One of the highlights of the event was the dumb charades game. In this fun-filled activity, both students and teachers participated, acting out various movie names, educational themes, and famous personalities without speaking, while their teams guessed the answers. This game allowed the participants to showcase their creativity and fostered a strong sense of camaraderie between students and faculty.

The event concluded with a vote of thanks by the student Rinku Ranawat, who praised the students' efforts in organizing such a memorable day. Teachers were presented with rose flowers of gratitude, and the atmosphere was warm and joyful.

Overall, the Teacher's Day celebration was a grand success, strengthening the bond between students and teachers at MES Night College of Arts and Commerce.
