Reading Motivation Day

Date: October 16, 2023

Time: 4:00 PM to 6:00 PM

❖ Program Objectives:

1. To foster a reading culture among students.
2. To highlight the benefits associated with a strong reading culture.
3. To encourage students to embrace reading.
4. To promote holistic development through the transformative power of reading.

❖ Nature of the Program:

The Maharashtra Education Society's MES College of Arts and Commerce held a Reading Motivation Day on August 16, 2023. The event was attended by the college's teaching and non-teaching staff, as well as male and female students. Principal Dr. Atul Kulkarni provided guidance for the program.

From 4:00 to 5:00 PM, students were allowed to immerse themselves in reading books amidst nature. Following this, from 5:00 to 6:00 PM, Mr. Sandeep Khade presented his insights on "All-round Development of Reading" through a Power Point presentation, inspiring students to explore various books with a curated list of recommended readings.

In the final segment of the program, Mr. Amardeep Gurme invited students to share their thoughts in the form of book reviews. Suraj Singh, Ajit Gautam, Bhagwat Andhil, Falguni Hanswal, Durgesh, and Akshay Pardeshi summarized their reviews of the books they had read. Additionally, Mr. Dadasaheb Magar shared his own book reviews and encouraged students to preserve such literature and maintain a vibrant reading culture.

Mr. Amardeep Gurme concluded the program by expressing gratitude to all participants.

❖ Outcomes of the program:

1. The students found joy in reading books while immersed in nature.
2. It provided valuable insights into which books are engaging and suitable for reading.
3. It revealed the specific genres and topics that resonate more with the students' reading preferences.
4. It emphasized that fostering a reading culture should extend beyond a single day and become an integral part of our lives.

5. It deepened my understanding of how reading influences individuals as well as its broader social, religious, and cultural implications.
