Report on Online Intercollegiate Navratri Event 2024

Sharad College of Arts, Commerce, and Science successfully organized an online intercollegiate Navratri event from 3rd to 12th October 2024. The vibrant and inclusive celebration aimed to showcase students' cultural diversity and creative talents across various colleges.

This dynamic event featured a variety of competitions, including traditional dance, art, and festive-themed performances, all conducted virtually to ensure participation from a broad audience while maintaining the spirit of Navratri.

Rinku Ranavat, a student of MES Night College of Arts and Commerce, participated enthusiastically in the event, showcasing remarkable talent and dedication. Representing the college, Rinku demonstrated not only cultural aptitude but also the essence of festive joy and camaraderie through her performance. Her participation added to the college's reputation for encouraging students to engage in creative and cultural platforms.

The event concluded with a virtual award ceremony, where participants were lauded for their efforts and creativity. It was a memorable celebration, emphasizing unity in diversity, and the potential of technology in bringing students together. The participants Rinku received a certificate of achievement.

Such events reflect the vibrant cultural ethos of intercollegiate activities and foster an enriching environment for young talents to thrive.
