Poster Presentation

Date: 23rd January 2024

Venue: MES Night College of Arts and Commerce

Introduction:

MES Night College of Arts and Commerce organized a poster presentation on 23rd January 2024, focusing on three important themes:

1. Indian Culture & Unity
2. Environment
3. G20

This event encouraged creativity, awareness, and collaborative thinking among students while providing a platform to showcase their perspectives on these significant subjects.

Objective of the Program:

- To foster awareness about the rich heritage and unity of Indian culture.
- To promote environmental consciousness and sustainability.
- To discuss the role and relevance of G20 in addressing global challenges and shaping the future.
- To enhance students' research and presentation skills.
- To provide a platform for collaborative learning and peer-to-peer knowledge sharing.

Program Details :

Students in the arts and commerce streams actively participated in the event, showcasing their creativity and knowledge through informative and visually appealing posters. Each poster was meticulously crafted to reflect the essence of the respective theme.

- **Indian Culture & Unity:** Students highlighted India's diverse cultural heritage, traditions, and the message of unity in diversity. Posters featured vivid depictions of art forms, festivals, and historical milestones that unify the nation.
- **Environment:** Posters in this category focused on pressing environmental issues such as climate change, pollution, and conservation of resources. Innovative solutions and calls to action were also prominently displayed.
- **G20:** The posters explored the significance of India's role in the G20 summit, emphasizing key themes such as global economic stability, sustainable development, and international cooperation.

Outcomes of the Program:

1. Increased Awareness
2. Enhanced Creativity
3. Teamwork and Collaboration
4. Public Speaking Skills

The poster presentation event was a resounding success, reflecting the college's commitment to holistic education. It provided an excellent opportunity for students to explore key societal themes and express their ideas creatively. Events like this strengthen the academic and cultural fabric of the institution, empowering students to become informed and responsible citizens.
