TECHNICAL ACCOUNTING

MES Night College of Arts and Commerce successfully organized an online guest lecture on Technical Accounting on January 20, 2025, at 6:00 PM. The session featured CA Vinay Gandhi and CA Meghavi Shah as guest speakers, both experts in accounting and finance.

Program Overview

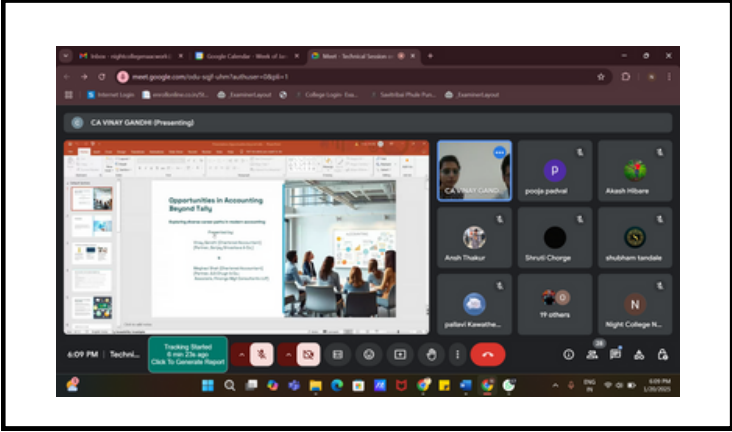

The session commenced with a warm welcome to the esteemed guests, followed by an introduction to the significance of technical accounting in today's financial landscape. The speakers covered key aspects such as financial reporting standards, compliance regulations, accounting automation, and industry best practices.

Advantages of the Program

- Provided students with practical insights into technical accounting concepts.
- Helped understand complex financial reporting standards and their real-world applications.
- Bridged the gap between academic knowledge and industry expectations.
- Enabled students to explore career opportunities in accounting and finance.
- Offered a platform for interactive discussions with experienced professionals.

The outcome of the Program

- Enhanced knowledge of advanced accounting practices among students.
- Increased awareness of modern accounting tools and their implementation.
- Students gained clarity on compliance requirements and financial accuracy.
- Encouraged participants to pursue further learning and certifications in accounting.
- Strengthened the connection between academic learning and practical industry applications.

The screenshot shows a Google Meet interface during a 'Technical Session'. The main window displays a presentation slide titled 'FINANCIAL ANALYST' with a definition and a circular diagram. The diagram lists various financial ratios: Current Ratio, Debt to Equity Ratio, Return on Assets, Return on Equity, Return on Capital Employed, and Return on Investment. The presenter is 'CA VINAY GANDHI (Presenting)'. A sidebar on the right shows a list of participants, including Rohan rathod, Rupali Waghmode, Sachin Salunke, Shrusi Chorge, and sujata adamuthe. The bottom status bar indicates the time is 6:48 PM and the session has been running for 44 minutes.
