Maharashtra Education Society

A JOURNEY FROM A SEED TO A TREE

In 1860, three great visionaries - **Waman Prabhakar Bhave**, **Vasudev Balwant Phadke**, and **Laxman Narhar Indapurkar** came together to plant a seed of an idea. The idea was profound considering the pre-independence era of India.

The three reformists resolved to establish an educational platform that would generate a strong character and lofty ideals amongst youngsters, and one that nurtures nationalism.

In 1874 The '**Poona Native Institution**' took shape as their joint efforts. The institution imparted conventional, contemporary education.

The Dnyan Vruksha

Over the last 159 years, MES has over 75 institutions with a strength of around 40,000 students and more than 2,000 teachers and administrative staff.

With a view to impart quality education to the rural parts, besides having top colleges, schools and institutes in the city of Pune, MES has expanded to *Saswad*, *Baramati*, *Panvel*, *Belapur*, *Kalamboli*, *Shirwal*, *Kasar Amboli*, *Ahmednagar*, *Solapur* and even far into the relatively underdeveloped regions like *Chiplun in Konkan*.

What started as a single seed has now grown into a massive tree - the '**Dnyan Vruksha**'.

Chairman's Message

The Maharashtra Education Society has a rich history of 156 years and is involved in pre-primary, primary, secondary, and higher education with over 70 units that shape the careers of many students. Each unit has unique goals and roadmaps but shares a common philosophy of inspiring young learners to reach their full potential. The M.E. Society provides an excellent education experience in various fields, including Commerce, Science, Arts, Management, and more. The Ministry of Social Justice recognized the Society's contribution by awarding it the Dr. Babasaheb Ambedkar Samajbhushan Puraskar in 2015-16.

MES Night College of Arts and Commerce, part of M.E. Society, has an excellent reputation in Maharashtra due to its experienced faculty, Library, and Computer Lab. The college's co-curricular & extension activities, sports achievements, auditorium, and infrastructure facilities set it apart. The college hosts various events such as debates, quizzes, and sports events. M.E. Society is confident that MES Night College of Arts and Commerce will continue to excel in the competitive world of higher education while staying true to its global outlook and Indian values.

Shri. Babasaheb A. Shinde
Chairman,
Governing Body, MES Pune.

Principal's Message

At present, education is undergoing a huge transformation and it is quite reasonable that it becomes difficult to make decisions about which course and which college to choose. The ultimate aim of education is not just creation and dissemination of knowledge, but also to develop global competencies and build the overall moral character of the learner.

It gives me immense pleasure in welcoming you to Maharashtra Education Society's MES Night College of Arts and Commerce which was established in 2012 & affiliated to Savitribai Phule Pune University, Pune & recognised by Government of Maharashtra.

We at MES Night College of Arts and Commerce believe that learning beyond classroom is equally important as the classroom interaction. Therefore, students are encouraged to organize and participate in the various co-curricular, extra-curricular activities. The classrooms are equipped with facilities making learning more interesting and interactive. Our efforts are directed towards student development for employment and self-employment. As we enter the twenty-first century, the business world is consumed by questions about e-commerce. As you are aware that, in a growing economy much of the expansion takes place in service sector which particularly requires the type of skills and knowledge that our courses offer.

The ideal of all education, all training, should be this man-making. But, instead of that, we are always trying to polish up the outside. An educated person has the ability to differentiate between right and wrong or good and evil and it is the foremost responsibility of a society to educate its citizens. The end and aim of all training is to make a person grow. Generally, education is the foundation on which a person's life depends and at our college, we strive to shape our students into becoming effective and ethical leaders and excellent individuals. This will be the most important contribution we can make to society.

It is proudful to us that many students of our college are become C.A./C.S./Entrepreneurs.

I look forward to our journey ahead together and I am confident this will be a mutually enriching experience!

(Dr. Sujata Adamuthe)

Principal

MES Night College of Arts and Commerce

MES Night College of Arts and Commerce was established in 2012 as an independent night college on the campus of the Abasaheb Garware College of Arts and Science. Being centrally located, it proved very convenient for city students. The college has a team of devoted and qualified staff. The college organizes various activities for the all-around development of students.

Since then, the college has been actively involved in imparting higher education in the Faculty of Arts and Commerce, especially for students who work during the day and appear for professional courses like C.A, I.C.W.A, C.S, C.F.A, C.M.A., etc.

The college is affiliated to Savitribai Phule Pune University.
