CYBER SECURITY AND ETHICAL HACKING

- **Date: 17 January 2026**
- **Time: 6:00 PM**
- **Mode: Online Webinar**

Resource Persons

- Mr. Sumit Mahurpawar – Presentation and live annotation on cyber security tools and concepts
- Mr. Aayush Batara – Co-speaker, guidance on ethical hacking practices and career pathways

MES Night College of Arts and Commerce organized an online webinar on Cyber Security and Ethical Hacking in collaboration with Seven Mentors Pvt. Ltd. on 17 January 2026. The session aimed to raise awareness of growing cyber threats, ethical hacking methodologies, and career opportunities in the cybersecurity domain.

Mr. Sumit Mahurpawar conducted an interactive presentation using live annotation, explaining basic to advanced concepts of cyber security, types of cyber attacks, and preventive measures. Mr. Aayush Batara elaborated on ethical hacking tools, industry certifications, and professional ethics to be followed by cyber security professionals. The webinar concluded with a question-and-answer session, where students actively interacted with the mentors.

Objectives of the Program

- 1.To create awareness about cybersecurity threats and safe digital practices.
- 2.To introduce students to the fundamentals of ethical hacking.
- 3.To provide knowledge about career opportunities and certifications in cybersecurity.
- 4.To encourage responsible and ethical use of technology among students.

Outcomes of the Program

- 1.Students gained a basic understanding of cybersecurity concepts and ethical hacking techniques.
- 2.Participants became aware of common cyber crimes and methods to protect personal and professional data.
- 3.The webinar motivated students to explore career options in cybersecurity and ethical hacking.
- 4.Students developed awareness about ethical responsibilities and legal aspects related to cyber security.

The webinar on Cyber Security and Ethical Hacking was informative and highly relevant in the digital era. The collaboration with Seven Mentors Pvt. Ltd. proved beneficial, and the expert guidance of the resource persons helped students enhance their technical awareness and career orientation in cyber security.
