## VISIT TO ECO-REGAIN

**Date: 12/03/2026**

**Time: 6 p.m.**

**Venue: Eco Regain, Near Mhatare Bridge, Pune**

MES Night College of Arts & Commerce, Karve Road under the guidance of the principal Dr. Sujata Adamuthe has organized a field visit to Eco-Regain Pvt. Ltd., Near Mhatare Bridge, Pune for the students of B.A. & B.Com. This visit was completely on voluntarily basis.

### **Objective of the visit :**

- 1.To provide students exposure to recycling and sustainable business practices.
- 2.To understand the process of converting waste clothes into value-added products.
- 3.To create awareness about environmental sustainability and waste management.
- 4.To introduce students to entrepreneurship opportunities in recycling industries.
- 5.To understand business operations such as procurement, production, marketing, and export practices.
- 6.To explore employability and business potential in the old clothes processing market.

The college staff informed the students of B.A. & B.Com. to arrive at the location at 6 p.m. and then the students and staff were welcomed by the director of the company Mr. Saurabh Joshi. Mr. Joshi invited the students and staff to the company and displayed the products made by them and then he introduced us with the staff of the company. Mr. Joshi explained the reality of old clothes, donated clothes and waste generation out of these clothes. He explained the procurement, segregation, recycling process, finishing of the old clothes and converting into the legitimate new and design-oriented products like bags, blankets, covers, etc. which are sold in Indian & Global Market as premium products at the fairly premium prices. The director also enlightened about the marketing practices, waste & lean operation practices, financing practices, cost management, pricing policies, exporting of products, HR Practices, Equity proportions, inventory management, etc. in a very detailed and exhaustive manner. He also helped the students and staff to clarify the various doubts related to business frankly and clearly. Overall, more than 21 students and staff visited the company.

The director then displayed some products for the students and explained them how these products are made in detail. The visit ended with vote of thanks provided by Mr. Amardeep Gurme, Staff from MES Night College of Arts & Commerce with group photo. Mr. Amardeep Gurme and Mr. Shiv Kumar were the coordinators for the activity.

### Outcomes of the Program

1. Students gained practical knowledge about recycling and sustainable business models.
2. Students understood the process of converting waste materials into marketable products.
3. Students developed awareness about environmental conservation and waste management.
4. Students learned about entrepreneurship opportunities in recycling industries.
5. Students gained knowledge about business operations including marketing, pricing, and inventory management.
6. Students enhanced their understanding of export-oriented business practices.
7. Students were motivated to explore innovative and sustainable business ideas.
8. The visit improved students' practical exposure and industry understanding.
