Induction Programme for First-Year Students (Academic Year 2026–27)

Objectives of the Programme:

1. To welcome newly admitted first-year students and help them feel comfortable in the college environment.
2. To introduce students to the vision, mission, values, and academic culture of the college.
3. To familiarize students with the academic programmes, rules, regulations, and examination system.
4. To create awareness about the National Education Policy (NEP) 2020 and its implementation.
5. To provide information about the college library, digital resources, and other student support services.
6. To encourage students to participate in academic, co-curricular, extracurricular, and extension activities.
7. To guide students about discipline, attendance, ethical values, and responsibilities as college students.
8. To promote confidence, motivation, and a positive attitude towards higher education.

Program Details

MES Night College of Arts and Commerce organized an Induction Programme for the newly admitted first-year students of FYB.Com., FYBA, FYB.Com. (International Business), FYB.Com. (Business Management), and FYB.Com. (Computer Applications) on Saturday, 18 July 2026. The programme was conducted to warmly welcome the students and familiarize them with the college, academic system, campus facilities, and student support services.

The programme commenced with the Saraswati Poojan followed by the lighting of the ceremonial lamp (Deep Prajwalan), symbolizing the beginning of the students' academic journey with knowledge and wisdom.

The programme was gracefully hosted by Mr. Anshual (TYB.Com.), Ms. Sai (SYB.Com.), and Mr. Aditya (TYB.Com.), who welcomed the dignitaries, faculty members, and students. A well-designed PowerPoint presentation highlighting the history, vision, mission, achievements, academic programmes, facilities, and student activities of the college was prepared and presented by the SYB.Com. & TYB.Com. students.

The programme commenced with the welcome of the Principal, faculty members, teaching and non-teaching staff, and the newly admitted students.

Principal Dr. Sujata Adamuthe addressed the gathering and introduced the students to the Maharashtra Education Society (MES), its rich educational legacy, and the vision and objectives of MES Night College of Arts and Commerce. She motivated students to make the best use of the opportunities available in the institution and encouraged them to maintain discipline, regular attendance, and active participation in curricular and co-curricular activities.

Prof. Shiv Kumar Rao delivered an informative session on the National Education Policy (NEP) 2020 and orientation of the all courses syllabus by PPT, explaining the multidisciplinary approach, Academic Bank of Credits (ABC), skill-based education, value-added courses, internships, and the flexibility provided under the new curriculum. Students were guided on how NEP would help them build successful academic and professional careers.

Prof. Amardeep Gurme explained the examination system, internal assessment process, attendance requirements, semester pattern, examination rules, and evaluation procedures. He also guided students on academic planning and examination preparation.

Mrs. Smita Raut, Librarian, introduced the college library and explained the various library facilities and services available to students. She provided information about the book collection, reference section, circulation services, reading room, OPAC (Online Public Access Catalogue), N-LIST, ShodhSindhu, National Digital Library of India (NDLI), e-books, e-journals, previous question papers, and other digital learning resources. Students were encouraged to develop regular reading habits and effectively utilize the library resources throughout their academic journey. All the teaching and non-teaching staff were present during the programme and interacted with the students, creating a welcoming and supportive atmosphere.

The programme concluded with a Vote of Thanks delivered by Prof. Shraddha Pathak, who expressed sincere gratitude to the Principal, faculty members, staff, student hosts, organizers, and all newly admitted students for making the induction programme successful.

Outcomes of the Programme

- Students gained a clear understanding of the college's vision, mission, rules, and academic structure.
- Participants understood the examination and evaluation system for successful academic planning.
- Students learned how to access and utilize physical and digital library resources effectively.
- The programme strengthened communication between students and faculty members.
- Newly admitted students developed confidence and a sense of belonging to the institution.
- The induction programme successfully prepared students for a smooth transition into college life and promoted a positive learning environment.
