Time: 6.00 p.m.

Venue: IMCC College, Kothrud, Pune

Type of Activity: Industry–Academia Interaction / Skill Development / Career Guidance

Theme: Campus to Corporate – Industry Readiness, Skills and Professional Values

Chief Guest: CA Abhayji Mate

Maharashtra Education Society's M.E.S. Night College of Arts & Commerce, Pune organized a Discussion Session on the “Campus to Corporate” Certificate Course on 7 August 2026 at IMCC College, Kothrud, Pune.

The programme provided an important platform for interaction between the college and representatives from the corporate, professional, entrepreneurial, industry and academic sectors.

Objectives of the Programme:

1. To understand the current skill requirements of industries.
2. To provide students with greater opportunities for internships and practical exposure.
3. To bridge the gap between academic learning and industry requirements.
4. To strengthen Industry–Academia collaboration.
5. To obtain expert suggestions for designing the Campus to Corporate Certificate Course.

Programme Proceedings

The programme commenced with Saraswati Vandana.

The programme was conducted successfully with the valuable guidance and support of the management and advisory members of Maharashtra Education Society. Mr. Babasaheb Shinde, President, MES, provided overall guidance for the initiative and encouraged the college to undertake industry-oriented activities for the benefit of students. Dr. Atulji Kulkarni, Secretary, MES, extended his support in planning and implementing the programme. The programme also received valuable guidance from CA Rahulji Mirasdar, GB Member, and Mr. Ajayji Purohit. Dr. Rajivji Hajarnis, Chairman, College Advisory Committee, provided important guidance regarding strengthening the interaction between the academic institution and industry.

Dr. Amardeep Gurme conducted the programme and welcomed the guests and participants.

Prof. Pradnya Adhav introduced the Chief Guest, CA Abhayji Mate, and briefed the participants about his professional background.

Prof. Shiv Kumar Rao presented information about the proposed Campus to Corporate Certificate Course, its objectives and its relevance to students.

Prof. Smita Raut coordinated the registration and recorded the details of the participants and experts attending the discussion.

Mr. Pushkraj Kashid provided the necessary technical support for the successful conduct of the programme.

Principal Dr. Sujata Adamuthe, proposed the Vote of Thanks. She expressed gratitude to the Chief Guest, industry experts, Governing Body members, college authorities, faculty members and all participants for their valuable contribution and support.

The collective efforts of the management, advisory committee, faculty and technical support team contributed significantly to the successful completion of the discussion session and helped create a meaningful platform for industry-academia interaction, skill development and curriculum enrichment.

The session was attended by Managing Directors, Chartered Accountants, HR professionals, entrepreneurs, Governing Body members and professionals from various fields.

Key Areas Discussed

The discussion focused on:

- Industry-specific job roles and career opportunities.
- Technical and professional skills required by employers.
- Soft skills and communication skills.
- Professional ethics and workplace values.
- Discipline, responsibility and professional behaviour.
- Internship and practical work experience.
- Opportunities for interaction with industry professionals.
- Practical exposure and experiential learning.

Expert Guidance

The Chief Guest, CA Abhayji Mate, emphasized that the course should be designed for identifying the suitable job roles and accordingly develop the specific competencies required for those roles.

He highlighted that industries consider professional ethics, honesty, responsibility, discipline, attitude and professional behaviour along with academic qualifications and technical knowledge while recruiting employees.

He suggested that Professional Ethics and Values should form an important part of the proposed certificate course.

The participating experts also shared valuable suggestions regarding industry expectations, recruitment practices, employability skills and practical training more and longer-duration internship opportunities.

Experts Participants

The session was attended by professionals and experts including Mohan Jogdand, Bhushan Joshi, Dr. Chanshusheela Biradar, Kamlesh Joshi, Janhavi Deshpande, Shantanu Kelkar, Vishwesh Natu, Shrikant Kallurkar, Nilesh Deshmukh, Nikhil Patankar, Satish Mundada, Sarang Deo, Manoj Dharav, Mandar Lele, Avinash Deshmukh, Madhav Pol, Chetan Dharia and Anand Kumbhar, Amruta Kulkarni along with other distinguished professionals and representatives.

Outcomes of the Programme

1. The college received industry-oriented inputs for developing the proposed certificate course.
2. Important skills required for different job roles were identified.

3. The significance of Professional Ethics and Values was clearly highlighted.
4. The need for more internship and practical training opportunities was identified.
5. The importance of developing both technical skills and soft skills was emphasized.
6. The college received suggestions to make the certificate course more practical and employment-oriented.
7. Opportunities for future interaction and collaboration with industry professionals were identified.
